About Keycorp

Keycorp Limited (ASX: KYC) is a global provider of secure electronic transactions: with solutions from smartcards and point-of-service transaction systems to managed services.

Keycorp's electronic payment terminals include smartcard-capable online and offline terminals capable of processing credit, charge, debit and stored value transactions. The terminals are designed for use at a retail point of sale, over the phone, in mobile environments or via the Internet, and can communicate with host systems via fixed or mobile communications.

Keycorp is a founding member of the MULTOS consortium, which has responsibility for developing the MULTOS multi-application smartcard operating system. Keycorp develop and distribute smartcard operating systems such as MULTOS, as well as smartcard applications. Keycorp's e-commerce platform delivers secure and truly end-to-end online transaction processing interfacing services like IVR (integrated voice response), call centres, mail, telephone or fax ordering and Internet based transactions.
